

Email to Participants

Hi <NAME/email address>,

Thank you for filling out our screener survey for the University of Washington Smart Cooking research project!

We're excited to let you know that you met our criteria for this research project, and we'd love to learn about how you use smart cooking technology. So let's get cooking!

What to Expect

Before your interview:

- We'd like you to use your smart cooking device *at least once* between now and your scheduled interview.
- Document your smart cooking experience with photos (no need to be fancy - phone camera is fine!) each time you use your smart cooking device.
- We will provide a link for you to upload the photos that you feel comfortable sharing. These photos may be part of the final report generated from this study.

During your interview:

- We will conduct an informal interview for 1 hour, followed by a 30 minute discussion of the photos you captured.
- We intend to record the interview, but you can choose to opt out.
- You may always choose not to answer any question at any time.

After your interview:

- You will receive a \$15 Whole Foods gift card for at the end of the interview.
- At the completion of our study, we will send you a copy of the final report via email.

What We Need to Know

We will be conducting in-person interviews in two locations:

Microsoft Campus	Thursday, 2/21	15010 NE 36th St, Redmond, WA 98052
Microsoft Campus	Friday, 2/22	15010 NE 36th St, Redmond, WA 98052
University of Washington Campus	Saturday, 2/23	4001 E Stevens Way NE, Seattle, WA 98195

Please let us know by **Wednesday, February 13th** which location and date you prefer - and what times you could be available.

If none of those options work for you, please let us know and we will do our best to accommodate.
